

A FOOL'S BAG

What's in a Fool's bag of tricks?

Rose-Colored Glasses to see only the Beautiful.

A bushel of Sunshine to fill the nights.

A bottle of Forgiveness to share with everyone.

A sealed bag of Joy so it always bubbles, safe inside.

A box of Laughter that never runs out.

A magic bell that turns anger into Understanding.

A snifter of Compassion to sip with those in need.

A tube of Unconditional Love so everyone can have a squeeze.

And a well-used heart to take out and share at any given moment.

Oh, to be a Fool!
