

## AIREY-FAIREY NEVER HURT

A little bit of Airey-Fairey never hurt anyone.

Tads of Airey-Fairey keep the boogers away,  
Make life Interesting,  
Give a heads-up as to what's coming at'cha.

A smidgen of *Fast Light* here,  
A drop of *Invisible* there,  
A whiff of *color not seen by eyes*,  
And feeling the *music of the spheres*,  
Just whets the appetite for more  
Unexpected  
Unknowable  
Unexplainable encounters.

Being gifted by even a single frame of Airey-Fairey  
Is kind of like seeing movie previews  
That make you eager for the experience.

And the movie is your future bio-pic.

Pop the corn and Enjoy!

No Kidding.
