

WHY DO NO HARM?

Do no harm in thought, word, or deed.

Your opinions are not worth anything,
Unless they are asked for.

So, keep your lips together and your
Thinking under your hat, Baby Love.

If you must express negativity, **Don't**.
It never causes "good" to happen, *Ever*.

Meet all challenges with Sacred Silence, which means
Don't even *think* negative..

Remember that your eyes project your attitudes.
Everyone can tell.
There are no secrets.
There is no privacy.

LOVE ALL . SERVE ALL .

THE HARM OR GOOD YOU DO WILL COME BACK ON YOU.

When you are at peace ***Within***,
Those around you will follow suit.
That's The Teaching Power of Love.

When you are angry ***Within***,
Those around you will follow suit.
Right back at'cha! Bam!

That is also The Teaching Power of Love.
