

IF WE HAVE

If we have an eternal soul,
Like some people prefer to believe,
Then why do they reject
The idea of reincarnation?

Just look around.
Everything Cycles, see?
Why would anyone
Think that **we** don't?

Be that as it may,
IF we don't reincarnate,
IF we have only one body,
IF we get only a one-time chance at Heaven,
Then, Darlin' Baby, do be good,
And remember,

***There's no such thing as
Too much chocolate.***
