

INSIDE ATTITUDES

“Happy” is an attitude that has nothing to do
With what happens in the outside world.

“Peace” is a state of being that has nothing to do
With what happens in the outside world.

Love is the **primary essence of emotional stability**
That has nothing to do with what happens in the outside world.

When all emotions spring from this stable base,
Unconditionally,
Everything in the outside world loses its power.

Because,
At that point, the Divine Seed
That is your Life Force
Has grown and bloomed.

Because,
You have fulfilled your destiny and become
A fully conscious **Embodiment of Love.**

Is there any better reason
To take a body and endure physical lessons?
To undergo lifetimes of struggle, sorrow, pain, and grief?
To experience moments of happiness, joy, and love just
To suffer their loss?

Noooo, but why can't we just choose LOVE, Bam!
And we're done?
