

## OBVIOUS TRUTH

Observe the Sun. It seems to go around the Earth.

Observe the moon. It, too, seems to go around the Earth.

What is obvious, is obviously not the Truth.

Okay, Sweets. You ready?

Look in a mirror.  
See your reflection?

“Yep!”

Look in the mirror again.  
**See** your Temple.

Look again, close up, Within.  
That’s IT, Baby! You got it!

Now, remember,  
What is obvious, obviously is not *ALL* that is.
