

**WISDOM TO CHANGE**

When you set yourself up to please  
Someone who cannot be pleased,  
You're the one who has the problem.

Solve that one, first.

Considering any kind of Peace,  
The only place you can  
Make a difference  
Is within yourself.

Start there, Baby Love.

*Bad News:* You *can't* change anybody else,  
And wishing does not make it so.

*Good News:* You *can* change yourself,  
But wishing does not make it so.

Takes work.  
Buckle Up.
