

BLESSINGS? BINGO!

Some blessings are really concealed!

For instance, traveling along your well-planned path,
You notice that it digresses from your intention, as in
"That's not MY plan!"

Digressions fly in your face as
Interruptions to wait on,
 Catastrophes to clean up,
 Unexpected detours to follow, and
 Gnarled and tangled lessons to unravel and work through

.... Until....

Bingo!

Wake Up! Finally happens.
 Digressions etc, are
 PART OF THE PLAN!

Now, understand, Baby Love,
The trick to creating
Peace, Love, and Joy in life,
Is to flex and adapt so
THE PLAN becomes YOUR PLAN.

And that *consideration alteration* is the REAL trick!

Seriously, Baby Love,
You can't have Peace and Joy
While you complain
About **WHAT IS.**
