

IN CHARGE OF YOURSELF

When you know the Truth,
You get to be in charge of yourself.

Hang on. Here we go!

Humans are the 3rd Dimensional
Sentient, Self-aware, Conscious *Hierarchy*.

The species is blessed with the innate ability
To receive higher energy, step it down,
And ground it into Mother Earth.

Truth is, Humans are the bridge that allows intentional, personal
Transformation and guides individual Evolution.

Simply *Being*, and *being neutral*, and *being open*
To the Divine Feminine within,
Holding the firm *intention* to *SERVE ALL, LOVE ALL*—
THAT is each human's step-it-down Truth in this lifetime—
IF they have evolved enough to recognize their power to change.

That conscious, willful, personal transformation to
Higher Service, is the purpose of being incarnate
During these spiritually dynamic times.

Now you know the Truth about yourself,
Adjust how you relate to who you truly are.

Take charge of your thoughts and actions,
And move humanity forward from here and now.
