

SAFELY NESTLED

Safely nestled in the womb of God
She twirls on ballerina toes.

Willing parents? check.
5 foot 2 body? check.
Strong muscles? check.
Unrelenting ambition? check.
No siblings coming? check.
Supportive community? check.

All is in order.

She snuggles up and hugs herself.
A tiny smile shadows her embryonic tissue.

"будет хорошей жизнью."*

* *This time, it's going to be a good life.*
