

## WHEN YOU LOOK UP

**When you look up** at a sparkling clear midnight sky  
—and five minutes later see sharp-edged darkness  
instantly appear in the west half of the sky—

**When you feel** strange energies prickling your skin as you observe a supposedly  
quiescent altar—

**When you take** in a sharp breath, after a blinding flash of magenta light, and  
experience your first real breath of Life—

**When you return** from a profound meditation and open your eyes to experience the  
caresses of a *protective*, star-studded canopy and sense the absolute Presence  
of Pure Love—

**When you see**, just above the horizon – with bare naked eyes – a brilliant zig-zagging  
light that instantly stops, waits, then comes closer to you . . . then backs away  
and finally goes inter-dimensional, vanishing into the starry night—

**When you witness** a companion say “There will be an appearance at 11:10 pm in the  
West.” So the group postpones their break until the promised light appears, gets  
photographed, a photon-wave transfer is experienced, **AND THEN** takes a break—

**WHEN ALL THAT HAPPENS,  
You no longer wonder about Star Travelers  
Visiting planet Earth.**

***You Know***

Even if digital pictures of  
Brilliant fireworks shooting off the altar,  
Golden Ships corkscrewing into the 3<sup>rd</sup> dimension,  
Red and Blue Globes playing tag in the dark trees,  
A sharply defined saucer floating above the Lodge,  
The silent ship hovering in the meadow fog, or  
Wispy Stellar beings observing the fiery altar,  
Even if *pictures* are the only hard evidence you have,

**YOU KNOW—BECAUSE YOU WATCHED THE PICTURES BEING TAKEN AFTER MIDNIGHT, AND  
YOUR EYES SAW ONLY THE SMALL SPECTRUM OF LIGHT THAT THEY CAN, SO YOU KNOW.**

Pictures revealing living Light, dancing in exotic designs, un-seen by your eyes, but felt  
with your body, so **YOU KNOW, FAR DEEPER THAN MIND.**

**Seeing** sky-bound anomalies with your eyes,  
**Feeling** strange energies have their way with you,  
**Asking** for and receiving visible response from Star Travelers  
—complete with pictures—tells you *we are not alone*, so  
**YOU KNOW.**

**AND YOU CAN'T UN-KNOW EXPERIENCE.**

**Certainty** generates SOMETHING PROFOUND in the depths of your secret soul.

Cosmic seeds are planted within, experiential changes activate DNA/RNA, and you will never be the same. Consciousness has expanded.

Though you clearly see a celestial path through an unfamiliar window in your mind,

**All you know for sure** is that

There is no such thing as a “dead end” anything.

**All you know for sure** is that:

The sunrise never ends.

**All you know for sure** is that:

You feel the Tides of the Cosmos surging through your Soul.

**All you know for sure** is that:

You *know* practically nothing.

And that's a *good* place to consciously acknowledge  
Your complete Attitude Alignment  
With the Truth of  
Confirmed Revelation.

Even if no one believes you.
