

WHOEVER YOU ARE

Whoever you are,
Wherever you came from,
However you got here,
IS INCONSEQUENTIAL.

Human credentials pale
In the overwhelming shadow
OF YOUR COSMIC PRESENCE.

Pleiadian, Venusian, Arcturian, or Sun Spawn,
The vibration of your **Love** penetrates on many frequencies.

The **Harmony** of your song soothes all that hear.

The **Peace** of your heart emanates through the universe.

The **Wisdom** you live is the archetype for Humanity.

Surrounded and Lifted by your **Illumination**,
Humble we are before you,
Nose and belly on the ground, Dear One.

“Hey, Cuz,
Bout time you came to check on us.
How’s our Ma doin’?”
